RESPONSIBILITY SHIFTED WHEN ISSUE IS ATTACKED

(Continued from Page 1)
headline in the New York Times

"Flynn Disowns Smear Curricular; Calls It Disservice to the President"

"Says Negro Groups 'Stupid' Attack at Willkie's Ancestry Had No Authorization"

To the American public it appears that the colored people of America are of the type who would associate themselves with a vile 'smear' upon the candidate for President.

"Even this flimsy effort at excuse is swept away by virtue of the fact that the materials contained in this mimeographed copy referred to by Mr. Rainey were in large measure, contained in a printed pamphlet—'LET'S FOLLOW THROUGH—Who Is Wendell L. Willkie'—which has on it the union label and which has printed on it 'Prepared and Issued by the Colored Division—Democratic National Campaign Committee'; a piece of literature which even Mr. Flynn would not dare deny the National Committee's responsibility for issuing."

"Every colored person and every fair-minded white American who has had contact with the colored group knows that such a slur by Mr. Flynn upon the colored New Dealers, which reflects upon the entire race, is unjustified."

"I believe that the only way in which such a slur can be erased is, not by Mr. Rainey making this very thin and obviously weak explanation, but rather by resigning from his position as Director of the Colored Division of the Democratic National Committee and expressing his protest against the attempt of the Democratic Committee attempting to put so black a mark upon the colored citizens of America."

"This explanation concurred in by Mr. Flynn is a very sorry and futile way of taking the blame off the colored group. It makes one believe that when the Democratic National Committee in its headquarters in the Biltmore hotel created a Jimcrow office for colored work at 331 Madison Avenue, it had in mind having such physical division of offices that it would be possible to have smears come from this Jimcrow colored office and thereby give it a chance to disavow such vile smears."

"I say with all sincerity that if such a situation developed in the Republican National Committee I would resign as Director of the Colored Division and I think that under the circumstances Mr. Rainey would do a great service to the colored race if he would immediately resign from any connection with the Democratic National campaign and make an unequivocal statement exonerating the colored race from this vile smear."

Mr. Samuel F. Pryor, head of the Eastern Division said:

"No pamphlet can come from the Eastern Division dealing in any manner with colored people which does not have the OK of Francis E. Rivers. I always give him full authority in all publicity matters. There is no 'master mind' in this headquarters. However, Mr. Rivers and Dr. Emmett J. Scott in Washington have full authority in all publicity matters involving their race, this publicity, as all publicity of the Republican National Committee, is not printed until it has been discussed in conference with the Director of publicity, Mr. Franklin Waltman, Mr. Rivers, Dr. Scott the National Chairman and for the Eastern Division, myself."

White House Charged With Trickery in Policy of Army

(Continued from Page 1)

has been destructive of morale and has permitted prejudiced superiors to exercise their bigotry on defenseless Negro units.

"We are inexpressibly shocked that a President of the United States at a time of national peril should surrender so completely to the enemies of democracy who would destroy national unity by advocating segregation. Official approval by the Commander in Chief of the Army and Navy of such discrimination and segregation is a stab in the back of democracy. It is a tragic coincidence that you issued your statement on the same day the coup de grace was given by Senate Majority Leader Alben Barkley to the Anti Lynching Bill. The two acts are a double blow at the patriotism of twelve million Negro citizens."

The NAACP has sent a letter to its 600 branches, youth councils and college chapters urging active and continued protests against President Roosevelt's Jimcrow national defense policy. The letter asks action before election day to make the protests of Negro Americans most effective.

The NAACP announced that the whole section of policy dealing with Negro officers was a plan to put them on the skids and eventually eliminate them altogether.

An important part of the NAACP protest and activity will be upon employment of Negroes in arsenals, navy yards, and industrial plants which have been awarded contracts under the national defense program.

HIGH FRATERNAL MEN DENOUNCE PAMPHLET

WASHINGTON D. C.—A delegation of 12 persons representing colored fraternal organizations, headed by J. Finley Wilson, Grand Exalted Ruler of the Colored Elks of the United States, conferred with Chairman Joseph W. Martin of the Republican National Committee at National Headquarters here on October 15th.

Speaking for the Delegation, following their interview with Chairman Martin, Mr. Wilson said:

"To our minds, Mr. Willkie is the most dynamic and outspoken candidate that we have had since Theodore Roosevelt, and he stands four-square on the Negro question."

"No person other than an idiot would hold Mr. Willkie responsible for his German ancestry. We are not worried about the ancestry of Mr. Willkie, any more than we are concerned about our own ancestry, which is African. We have served the Lynch-ocrats, the mob-ocrats, and Dem-ocrats in the cotton fields, the tobacco fields, and the canebreaks of the South for 250 years without a pay-day!"

"The thing we are interested in is the future of our country and our race, and to do everything humanly possible to make America safe for democracy, including the 14 million unbleached, real 'forgotten men,' of which group we a part."

"Any man who heard or read Mr. Willkie's Chicago address to colored citizens will agree it compares favorably with Lincoln's speech at Cooper Union, New York, during the crisis 80 years ago. No candidate during this campaign, or any other during the past 25 years has spoken with greater candor, courage and sincerity and without evasion, or dodging. If we can get the message back to Garcia, I have no fear of the results of November 5."

James F. Wade, Supervisor of Speakers' Bureau of Republican Headquarters, reports the following activities:

N. C. Eagles Thump Big Blues

WINSTON-SALEM, N.C.—A small crowd of 2,000 spectators sat, stood and cheered in the chilly autumn breeze and watched the Big Blues go down in defeat 13 to 0 to the North Carolina Eagles. In the case of the Eagles, history repeated itself for them as they were the only team to defeat the Blues last season.

JOEL LOUIS' MANAGERS SPIKE RUMOR HE IS FOR ANY ONE CANDIDATE

Julian Black co-manager of Joe Louis, heavyweight champion of the world, from Chicago authorized Republican National headquarters to deny the statements contained in a release sent out by the Colored Division of the Democratic National Committee the effect that the champion has an engagement to call at the White House, and further subtly stating that the champion will cast his first vote this year for the Democratic Third Term candidate. The champion, he said, has not committed himself to vote for any presidential candidate.

Further, Mr. Black stated that it is wholly unfair to Joe Louis to circulate such stories without authority of the champion or the Joe Louis management.

John Roxborough and Julian Black co-managers, have in formerly kept the champion out of political discussions and activities the Republican National Committee was advised.

POINT PLEASANT GOP SIGN TELLS 'EM TRUTH

Point Pleasant, October 16.—Visitors to Point Pleasant are greeted by the sight of a banner stretched across the street in front of Democratic headquarters reading as follows:

"We rose with Roosevelt. Why wilt with Willkie?"

Twenty-five yards further down the street across from Republican headquarters another banner swings in the breeze reading as follows:

"Who and what rose with Roosevelt? National debt, at 62 Billion Dollars, Taxes, Unemployment, Relief Rolls, two per cent clubs. Willkie, Dawson and Sweeney will clean up the mess."

Raleigh Farmer for Willkie

Beckley, Oct. 16.—C. P. Maynor, Raleigh county farmer and salesman, doesn't take any stock in the New Deal's theory of the indispensable man.
